

WASHINGTON PLAYS SAN LEANDRO TODAY

Varsity opens football season here against San Leandro.

Friday afternoon Captain Leonardo leads the Washington Hi varsity against San Leandro High school for the first pre-season game.

This year's varsity is composed of seven of last year's squad, and four of last year's second string squad. San Leandro's team contains five former Fremont High regulars, and is a light, fast team.

The new coach, Jess Regli, formerly of San Jose Varsity, has developed a good, fast, hard-fighting team which is going against San Leandro to win.

Let's have everybody out on the bleachers when the whistle blows for that game.

"Where d'ja get the money for the galoshes, Becky?"
"Papa's slush fund."

GIRLS RECEIVE NEW GYM SUITS

A new gymnasium outfit for the physical education girls of Washington Union High has been adopted. It enables one to move about more freely in playing. This outfit consists of white middie, short, tight bloomers with a white stripe on each side, short orange socks, and black tennis shoes.

A series of games are scheduled to be played this term. These games are basketball, volley ball, baseball, speedball, and field ball. This last mentioned sport is a new and very interesting game which prepares one for basketball.

A Student Body Program given by the physical education girls is also scheduled for the near future.

Mr. Smith: "I hang them up carefully and go to bed. Then in the morning I put them on again."

Tourist-Why?

Cop-Because his father is mayor, his brotner is chief of police, and I'm engaged to his sister.

FOOTBALL SQUAD ROUNDING INTO SHAPE

The football players of Washington Union High School are coming along nicely under the direction of our new coach, Mr. Regli. We will soon feel proud of the way our team is fighting. In fact, we feel proud now of the way our men are going out on the field, and working for us they are worth.

There are over forty fellows out for football this year, all of them determined to do their best for Washington Union Hi. The players have been divided into three groups. There are just enough in the first and second groups to make an entire team apiece, while in the third group there are almost enough to make two teams. Consequently, we will have plenty of substitutes when we play the first game of the year which will take place on September 14, with San Leandro.

Visitor—"Why does your servant go about the house with her hat on?"
Mistress—"Oh she's a new girl. She only came this morning and hasn't yet made up her mind whether she will stay."

Old lady on boat—"Captain, will you please come down and see what is the matter with my stateroom? It's jumping around terribly".

"Have you any relatives living in the country?"

"No; whenever we take a vacation we have to pay our own board."

"I say waiter, there's a fly in my soup."

"Surely not, sir; maybe it's one of those vitamine bees you read so much about."
