DR. THOMAS DAVIS TALKS ON VALUE OF GOOD EDUCATION

SUCCESS IS MOST IMPORTANT
THING IN LIFE SPEAKER
SAYS AT ASSEMBLY

The first two numbers on the program of the Student Body meeting held in the auditorium fifth period, Thursday, were "The Star Spangled Banner" and the school song, "Hail to Old Washington," sung by the assembly.

The president introduced Mr. Whipple of the board of trustees who spoke a few words.

Mr. Decoto, president of the Decoto Chamber of Commerce also spoke.

Doctor Thomas Davis was then introduced by the president.

Dr. Davis declared that he has been engaged in research work to find information for students of high schools in order to tell them how to keep from falling in their work and why an education is necessary. He spoke of the need of a full, complete education from a business standpoint. Business men do not employ a person for the purpose of only filling a position, but they want a person who is going to render the very best service, and one who desires to advance himself in the work. "The most important thing in life," stated Dr. Davis, "is success. Success in school and success when through school is most important. Whether or not a person is going to be successful depends entirely on himself. You'll be just what you make yourself. Making a habit of being successful has a great effect on one's career."

Dr. Davis said, "Any man can get what he wants, if he wants it bad enough to use what he has to get it. Neither money, friends, nor influence are necessary."

"The young people nowadays want to be a part of the crowd. They want to gain recognition of the bunch and have no individuality. Business men don't want to employ this kind of person."

After Dr. Davis' talk, the minutes of the previous meeting were read and approved. A report from the budget committee was read by the secretary.

It was announced that the paper drive is now in progress and will end October 11.

It was announced that a football game would be played against Hayward B team on our home field Wednesday afternoon, September 25.

Billie Dick President Of Sophomores

The Sophomores held their first meeting of the year in the study hall, Wednesday, September 18, with the election of the following officers:

Billie Dick—President,
Dorothy LaPlante—Vice President.

Leonora Neves—Secretary,
June Witherly—Treasurer.

Bill Bowie—Hatchet Reporter.
Each newly elected officer spoke a few words of acceptance, then the business was taken up.

It was decided that the class dues would be seventy-five cents for the coming year. Also, that the Sophomores would give a Halloween party at the Parish Hall in Centerville.

Tom Kitahima was elected chairman of the paper drive committee. Instead of advisory period competition, it was decided to have competition between the towns.

The executive board, who have the power to appoint all committees, will be composed of the

OFFICERS ELECTED AT SCHOLARSHIP MEETING

In the peppy meeting of the Scholarship Society, which was held in Room 16, Friday, September 13, during 6th period, Mary Lucas was elected President.

Other officers elected were:
Vice President—Henrietta Flores.

Secretary-Treasurer—Alice Sequeira.

Publicity Manager—Sumi Nakashima.

Chairman of the Program Committee—Ida Sequeira.

Some think that thirteen is an unlucky number, but not so with Mary Lucas, for there were 13 white ballots cast for her on Friday, the 13th. Mary is a senior now. She has been a member of the Scholarship Society every year and is now secretary of the student body.

The newly-elected officers gave a short talk, and Mr. Solvason, their advisor, commented on the members of the Scholarship Society. Later there was a discussion of the initiation. The date as to when it will take place will be announced later by the Program Committee.

Girls League To Send Convention Delegates

The Girls League held a short meeting on September 17th. It was decided to send the president, Marie White, and Mabel Fyffe, the secretary, to attend the Annual Conference of High School Girls League of the Bay Section. Two alternates were chosen and they are: Olive Silva and Lola Luna.

Last year's convention was held at Santa Rosa, but it was impossible for our delegates to attend.

This year's convention will be at Alameda High on Sept. 28, and the program planned is as follows:

9:00 A. M.—Registration of officers.

10:00 A. M.—Round table discussion by the delegates and the deans of girls.

12:00 A. M.—Luncheon and committee reports.

2:00 P. M.—A social program.

The next affair of the Girls League will be the Freshmen reception, which will be given in the Auditorium, Friday.

"NIGHT SCHOOL OPENS"

Night school has opened for its 1929-30 term. The enrollment was the largest in the history of night school.

Many classes were started due to the large enrollment. There are classes in Spanish, beginning English, typing, music, sewing, citizenship bookkeeping, auto mechanics and shorthand. It has not been decided if the shorthand class would continue due to a small enrollment.

class officers, the advisors, and three members of the Sophomore class, namely, Mildred Dias, Mildred Durham, and Teddy Logan. They will also set the date of the Sophomore party.

The sophomores decided to invite the faculty members and the students to attend their party.

EUGENE DUSTERBERRY ELECTED AS LEADER OF MIGHTY SENIORS

MUCH DISCUSSION ABOUT
ANNUAL AND PICTORIAL

The first and "hottest" meeting of the Senior Class was held on September 18, 1929.

Eugene Dusterberry was elected president by a vast majority. He seems to be quite a favorite among the students of our school as a president. He is now Boys' League president, and when the class of "1930" were sophomores, he was also president. The other newly elected officers are as follows:

Vice president—Fern Garcia,
Secretary—Faye Harrington,
Treasurer—Howard Overacker,
Yell Leader—Otello Bellini.

There was much discussion as to whether the Seniors are going to have an annual or a pictorial. Since the students do not know very much about a pictorial, it was decided to have a committee appointed to investigate different pictorials. Mr. Hodges and the class advisors are very much in favor of this type of publication, due to the financial circumstances.

The Senior Class have something up their sleeve which is a mystery to all other classmen. There was a great deal of discussion about this new mystery, but no set action has been taken as yet.

The first paper drive at our school was given consideration three years ago, when the present seniors were freshmen. Since they are the most experienced in this line, they are very optimistic about winning the paper drive. In order to do this, it was decided to have a general chairman and one chairman for each town.

The meeting was ended with a bang by having the newly elected yell leader lead a few yells.

First Junior Class Meeting Held

A meeting of the Junior Class was called to order by the vice president, Irene Cieslak, on September 18, 1929. The purpose of the meeting was to elect officers for the term.

The following were elected:
President—George Coly,
Vice President—Alice Sequeira,
Secretary—Elsie Silva,
Treasurer—Ollvia Foster,
Yell Leader—Irma Dutra,
Paper Drive Captain—Roy Seada.

The yell leader tryouts drew more applause for Irma Dutra than for the boys.

Aileen Steinboff read the names of the Junior girls and their little sisters for the Freshman reception.

Before the tellers had finished counting the votes, the chairman, seeing that George Coly was winning by a majority, asked him to speak.

George spoke a few words, and, after the tellers had finished, he took the chair.

BUDGET COMMITTEE HOLDS FIRST MEETING

A meeting of the Budget Committee was held Wednesday, September 11, in the administration offices.

In this meeting it was decided that there be a competition between the different advisory rooms for paying the student membership dues. In other years there have been contests between the classes but not between the advisory rooms. It is hoped that the new method will bring quicker and better results.

The members present were: Mr. Hodges, Mr. Regil, Miss McMillan, Mr. Kibby, LaVerne Silva, Eugene Dusterberry, Marie White, Lola Luna, Howard Overacker, James Logan, Frank Pimentel, and Mary Lucas.

Since the bell rang before the adjournment of the meeting, matters were laid on the table until September 26, when there will be further discussion concerning the budget.

Fourth Annual Paper Drive Starts

All ready for the fourth annual paper drive! Once more the students of Washington High are out to get paper which will be sold in favor of a fund for a swimming pool. George Robinson, captain of the paper drive, gave forth the following statement yesterday:

"For the past four years these drives have been a great success, and all indications point toward another good year.

The freshmen, although new to the job, are already taking steps toward this year's drive. The juniors, having already won two drives and are out to win another at all cost. Meanwhile, the seniors and sophomores are forming their plans, and each class has its own idea of who is going to win.

"For the benefit of the boys who collect these papers, it has been customary to tie them up in bundles. Please do so this year."

George's final plea is as follows:

"Let's go, students! Make this the best year yet. Bring in all your papers right away."

ORCHESTRA

The high school orchestra is progressing rapidly this year under the supervision of Mr. Kimber, our instructor. According to him, the players are improving wonderfully since last year. This year there are ninety-eight students taking instrumental music. A lot of these have just started in this year and there are more starting every now and then. All in all, this high school is promising to have one of the largest orchestras and bands in the country.

There was some discussion as to whether there should be a prom or banquet. There was no action in regard to this.

QUEER NEW ADDITIONS BRING INTEREST TO W. U. H. S. MUSEUM

SOCIAL SCIENCE DEPARTMENT
DESIRES CALIFORNIA OR
FOREIGN SPECIMENS

Five more additions have been made to the Social Science Museum. The following were the additions made: A flag with 42 stars, a picture of the San Francisco earthquake, which was taken at that time, and a bone fan, the three of which were brought in by Arlene Oliveira; a carved book, which was carved by a Civil War prisoner in Andersonville prison in 1864, and which was donated to the school by Charles P. Cook, fair of Newark, Calif.; and a tooth of a prehistoric mammoth from Alaska, which was given to the school by H. J. Griffith.

Several years ago the social science department started gathering historical articles and interesting specimens for the benefit of the students of W. U. H. S.

This year the department is trying to increase it by getting more relics of California, specimens of the late war, or interesting materials used in foreign countries. An article might not mean anything to the owner, but to the other persons who have not seen it, it means a lot.

Mr. Hodges yesterday gave the following statement in regard to the museum:

"If anyone has anything of interest to add to the museum, I know that all of the students will appreciate it if they could lend it to the school museum. It will mean a great advance in the student's knowledge of the ancient and historical events. If they could donate it to the school, it will be a great increase in the W. U. H. S. Museum."

Mr. Hodges also said that if the present museum is filled up, a separate room might be set aside for the school museum.

Frosh Elect Officers At Lively Meeting

Whew! What a lively meeting the freshman had Wednesday, 6th period to elect their officers! The freshmen could have done worse in electing their class officers, especially the president. These are the students who were elected:

President—Elmo Grimmer,
Vice President—Ernest Garcia,
Sec. Treas.—Jewell Amara,
Yell Leaders—Ralph Logan and Wilma Davis.

The Freshmen were so lively and peppy that some of the advisors were surprised. During the meeting Miss McMillan explained to them the purpose of the student body dues, the paper drive, the class dues, and the freshmen party. After the election the newly-elected officers gave a short talk, and the president took the chair.

A question of the bonfire was brought up (a lively class likes to have lively entertainment, you know). Committees for the paper drive and the bonfire were chosen by the president.

The Hatchet

PUBLISHED BY THE STUDENTS OF THE WASHINGTON UNION HIGH SCHOOL
 Subscription price, 75 cents a year; to students, 20 cents, included in the student body card.

Editorial

The Progress of Our School

Just why are we mentioning the progress of our school now? Are we, student of Washington High, considered of a progressive type? These are the questions which many of our students very often ask themselves before they begin a new undertaking. I would consider this a very appropriate time to think over some of the progressive movements, because we have almost reached the goal which the students have been striving toward for years.

A swimming pool and a gymnasium are the most recent topics of progress. The students are in great hopes of having a swimming pool by saving money which will be made on paper drives.

Ten years ago we, the present Washington students, dreamed of a wonderful place in which to secure our education, of which we may now be especially proud. Hence, day dreams may come true, if one has the power and ambition to make them so. When we moved into Washington, it was not thoroughly equipped with some things which perhaps were considered as luxuries. About one of the first things that was taken into consideration by the students was a curtain. Without one, it was almost impossible to have any stage performances. The students managed through "paper drive" and other devices to get a temporary curtain, which was later replaced by a beautiful velvet one. The student body chairs have also been a great improvement towards our school, and in time they will be replaced by comfortable theatre seats. Our radio, which was donated through the courtesy of the Japanese students, is one of the most advantageous of all inventions. We may consider its value as twofold for both an educational and recreational purpose. If it should happen that any political or historical will be able to listen in over the radio. For those who are not particularly interested in athletics as outdoor sports, there are the very fine musical programs which are extremely interesting.

Let us wish the paper drive great success, in working toward the progress of our swimming pool.

The Hatchet must not be forgotten among many of our progressive movements. In previous years, the editor and staff with the aid of Mr. Kibby had to work on their own initiative in order to get their publication out regularly. Fortunately, we have a class in Journalism this year, which will be a great help if the students realize the responsibility and cooperate with each other. However do not feel that the staff is an independent group, because they are always willing to accept any information which you might have.

HATCHET KNICKS

MAD LITTLE JAMES

Little James, who was eight, is quite scornful of his little sister's tears when she hurts herself. Recently he came in crying lustily after a little encounter with a playmate.

"Who's crying now?" jeered sister. "I thought boys didn't cry for hurts!"

"Say, can't you tell a hurt cry from a mad cry?" was James' retort. "I'm mad."

Teacher—Johnny, what great event occurred during the world war?

Johnny—Pa bought Ma a new wash-board.

Mr. XYZ—I wonder what they're hunting for?

Mr. ABC—Maybe they're hunting for a place to hunt.

Teacher—Now, can anyone tell me what a "butress" is?

Otello B.—I know. It's a nan-nygoat.

There was a Scotchman on a corner of a street with a great big loaf of French bread in his hand.

A man asked, "What are you waiting for?"

"I'm waiting for the jam to pass," was the reply.

In spite of repeated warnings from his father, little Bobby persisted in driving nails into blocks and boards. One morning Dad heard the familiar pounding, and looking out he saw Bobby hanging away, his little Mary sitting beside him apparently looking on.

"Haven't I told you, Bobby, that you will smash your finger if you drive nails?" the father asked.

"Yes, I know, Dad, but Mary's holding the nail."

TOMMY DEFINES SPACE

"Now!" said the school instructor, "give me a definition of space."

Tommy stood up, fluttered and red.

"Please, Sir," he stammered, "Space is where there is nothing. I can't explain it exactly but I have it in my head all right, Sir!"

Baker—Do you want to buy an apple pie?

Young Mrs.—Yes, I do. But is it fresh?

Baker—Of course, it is. I just made it this morning.

Young Mrs.—Well, but is the apple fresh?

BETTER RETREAT

Josephine Y.—Why, your heart sounds like a drum beating!

John F.—Yes, 'er, that's the call to arms.

"My house ought to be warm next winter."

"Why?"

"The painter gave it two coats."

Irene O.—Ida seems to be very fond of music, doesn't she?

Alice S.—Yes, indeed. You'll always find her at the piano when Mother is washing the dishes.

WHAT TO DO

CORRECT SOCIAL USAGE FOR HIGH SCHOOL BOYS AND GIRLS

Should boys always remove hats in the school building?

Always as soon as they enter. Hats may be put on as boys are leaving the building.

"FLUNKERS' ALPHABET"

- A—Aw, I can't get this stuff.
- B—Better late than never.
- C—Can't imagine why anyone would invent geometry.
- D—Darn hard for the Romans to understand each other.
- E—Every day in every school is getting worse and worse.
- F—Florence is late with the bell.
- G—Gee whiz! Why pick on me?
- H—Have a heart, teacher.
- I—I'll get by.
- J—Jumping Grass-hoppers! Another test?
- K—Ken: Did she give you that rose?
- L—Let go! It wasn't me.
- M—Mary, what's the answer with fourth question?
- N—Never did my home-work.
- O—Oh! I forgot my book.
- P—Positively impossible to study with so many good-looking girls around.
- Q—Queer how low my marks are.
- R—Report cards again?
- S—Studying don't get you nowhere.
- T—Twenty minutes more until dismissal.
- U—Uneasy lies the head that wears too many brains.
- V—Very trying, these teachers.
- W—Wins that note this way.
- X—Xactly one "3" and three "5's" for the semester.
- Y—Yes, I'm cutting next period to go swimming.
- Z—Zats all! But I wonder why I flunked?

WE WONDER

- We wonder if Sid L. has any "Jewels" on his fingers.
- We wonder where Annie F.'s parking station is.
- We wonder why Mary L. is late taking the bus after school.
- Is it her curls that keep her busy?
- We wonder why La Von M. was all smiles on Thursday, September 12th, in Miss Newbert's fourth period civic class.
- We wonder why some Freshmen class themselves as upper-classmen.
- We wonder how Sam likes to be an uncle.

OUR Library

My! how our library is growing.

Some more new books have arrived to help us in our work and recreation.

There are some very good books on travel. This is a very interesting way to travel and it certainly is accommodating. A wonderful book is "Vagabond Journey Around the World" by Franck. Another is: "Whale Hunting With Gun and Camera" by Andrews. This is very thrilling. "Way farer in Sweden" by Whyte and "Little Journeys to Norway and Swede" by George are also very good.

Some interesting and hair-raising novels and fiction have arrived. "The Horns of Ramadan" by Train surely arouses curiosity. Dosen's "The Wanderer" by Alain-Fournier sound romantic? "Joseph and His Brethern" by Freeman and "How the Old Women Got Home" by Shiel both sound amusing and interesting. "The Silver Thorn" by Hugh Walpole is another book.

Of course we are all somewhat interested in Aviation and Battle. There are some fine books here on just those subjects. "Practical Flying" by Jones will certainly give you your time's worth. "Rank and File" by Theodore Roosevelt will give you a big thrill, and so will "Famous Generals of the Great War" by Johnson. The "Two Black Crows in the A. E. F." by Mack will give you all the amusement you could ask for.

We can travel and study about foreign neighbors, too. "Roman Festivities" by Fowler and "Roman Private Life" by McDaniel will acquaint you with Rome and her people.

"Gallus: Roman Scenes in the

SCHOOL DAYS ARE HERE

Let's all turn over a new leaf. At least, we should, to the teachers' belief.

They will be our helpers, our dear friends.

At least, till the school day journey ends.

Hello, John, Olive and Bill, How good it is to have a new thrill.

Vacation days have passed. And the swimming hole is closed at last.

Let's make studies come before play.

We can get along better that way. In our nighties we go to bed. To dream about what may come ahead.

Let's put aside our summer cheers.

And fix up our Souvenirs, Our scratches, bites and sunburn, And renew all the lessons we once had learned.

Let's think of our "Goal" far And while enroute we'll lift our head.

Education is a mighty thing. More than all the hands can bring.

The brain is worth more than riches.

And will prevent us from digging ditches.

If on the way to your career you Spread happiness and cheer, Some day of you we all will hear ahead.

"Time of Augustas" by Becker will be interesting.

Poetry is very good for an education and pastime. "The Song of the Indian Wars" by Neihardt is very good.

Now, get busy, every true Washington Hi student. Our library is for our benefit and pleasure. Make use of it!

George C.—Have you had any serious trouble with our new automobile?

Sam K.—Not a bit. So far I haven't hit a single person without being able to get away before he got my number.

Willie, "Where did you get that black eye?"

"Johnny Smith hit me."

CLUBS

Two weeks ago to-day the various clubs met for the purpose of organizing them for this semester. All students who entered these clubs are to remain until the end of this semester.

Aviation Club
The Aviation Club met with Mr. Mette, the advisor. There were so few in number that Mr. Mette said that if more boys did not join, it would be discontinued.

Hurry boys, decide what you want to be today. Let's make the Aviation Club a success.

The Science Club met with its two advisors, Mr. Gould and Mr. Webb, to elect officers for the coming term. Bob Wright was elected president of the Science club. The other officers are:

Edward Witherly—Secretary
Irene Cieslack—Chairman of Program Committee

The Program Committee was then selected by Irene Cieslack. They are as follows: Judith Gronley, Elizabeth Landenslager, and Howard Blacow.

DEBATING CLUB
A number of students met with Miss Newbert to organize a Debating Club. They are going to have inter-class debates. These debates are to be on subjects that are of national interest.

DRAMATIC CLUB
Fourteen students met with Miss Nicely to organize a Dramatic Club. The officers that were elected are as follows: President—Elizabeth Shinn, Secretary—Mary George, Program Chairman—Gertrude Ellsworth.

Each one in the class then gave a pantomime. They were instructed to bring a prepared reading for next meeting.

In the future each student is to bring in three one-act plays. The class is then going to practice the different parts, discuss the stage setting, and make-up. After all these plays have been discussed, the Dramatic Club may give one at a Student Body meeting.

Any one that would like to join this club are invited to be present today.

ART CLUB
Seven students met with Miss Sayles to discuss organizing an Art Club. Definite organizing will be done at the next meeting. Plans

ALUMNI NOTES

Awbrey Laws '25 has received a position as Coach of Manteca High School.

Maryaret White '28 has returned for a short period. She will return to the University of California in the Spring.

Ethyl Ferry '29 has recently entered the Providence Hospital where she will train for a nurse.

John Brown '26 has returned to St. Mary's College where he is studying engineering.

Jenny Malloy '29 is recovering from an operation for tonsils. She will enter a San Jose Hospital of training.

George Richards '26 was granted the position of Principal of the Sunol Grammar School.

Miss Agnes Alameda '30 Niles, became the bride of Mr. Frank Roger Lewis of Pleasanton, on Sunday.

After they return from their honeymoon, the couple will reside in Redwood City.

Mr. Mrs. Rinaldo Cozzi, both former students of Washington High School, are proud parents of a baby boy, who was born September the eighth.

were discussed for putting on a Puppet Show. This show will bring in problems in stage craft and costume designing.

Anyone who has had one year of Art may join this club.

Basketry Club
A few students reported to the Basketry Club in the sewing room with Mrs. Morris as instructor. This club is to take up Reed work. They intend to make trays and baskets.

The Latin Club, Mathematics Club, and the Commercial Club did not take any action because there were so few in number.

The clubs are holding meetings today. Now is your chance, students. These are not only for work. There is enjoyment in them as well as work.

WASHINGTON STOPPED BY FAST HOLLISTER TEAM

Washington bowed to Hollister, Saturday, with a score of 19 to 0 in their favor.

Hollister, in the first quarter, had a grand rush down the field to a touchdown. They converted. On the kickoff Howard Overacker was hurt, but was soon revived.

During the third quarter, Hollister was held pretty well in the middle of the field with very little gain. In the third quarter Dusterberry was kicked accidentally and knocked out. It wasn't long before he was back in the game going as good as ever.

The second touchdown came near the end of the third quarter with a pass over the goal line. Hollister failed to convert, making the score 13 to 0 at the end of the third quarter.

The third touchdown came near the end of the game on a very well timed triple reverse by a flashy backfield man of Hollister. Soito's punting, tackling, and snatching passes were a great factor in keeping the score down.

Give our team some credit for holding Hollister as we did, for Hollister had a fast team and hard to hold.

The teams were given a little feed by the senior girls, which was enjoyed by everyone.

Washington showed Hollister that they could really play football when once they held Hollister on the one-yard line for three successive downs.

The starting lineup for the Hollister game was as follows:

- R. E.—Cahill.
- R. T.—Ferry.
- R. G.—Overacker.
- C.—Brown.
- L. G.—Secada.
- L. T.—Leland Silva.
- L. E.—Fontes.
- Q.—Dusterberry.
- R. H.—C. Pine.
- L. H.—Soito.
- F.—Martos.

Substitutes

(Second quarter)

- Rodrigues for Silva.
- Bernard for Fontes.
- Teeter for Secada.
- Lawlor for Cahill.

(Third quarter)

- Teeter for Overacker.
- Bernard for C. Pine.
- Rodrigues for Soito.
- C. Pine for Brown.
- Logan for Dusterberry.
- Gleb for Bernard.

WASHINGTON LOSES FIRST GAME TO SAN LEANDRO

In the first game of the season, Washington's football team met defeat.

The final score was 27 to 0, San Leandro having the 27.

Washington's boys were handicapped by inexperience. They did not lose the game through the lack of fighting spirit. The boys played the best game they knew how.

San Leandro has a very fast team. The backfield men are shifty and fast, the line is strong and heavy.

The "Cherry Pickers" scored two of their touchdowns in the first quarter on a series of end runs and passes. Another touchdown was scored in the second quarter in the same manner.

In the second half of the game San Leandro's second team was sent into the game and they added one more touchdown to the score in the fourth quarter.

Washington's line outfought the San Leandro line. Only a few of the "Cherry Pickers" gains were made through the line.

The boys have had only a short time to get into condition and it is expected that they will make a better showing in later games.

Washington's starting line up for the San Leandro game was

- L. E.—Leland Silva.
- L. T.—Reuben Ferry.
- L. G.—Frank Mattos.
- C.—Manuel Brown.
- R. G.—Howard Overacker.
- R. T.—Roy Secada.
- R. E.—Sid Lawlor.
- Q.—Eugene Dusterberry.

SPORT-O-TORIAL

This sounds good, students. San Leandro High School beat Hayward High in football this season. The score was 13 to 0. It shows that Hayward is not so strong this year.

You all know, students, that Hayward has been our rival for many years. We want to win this year, but if we win, it must be by fairness. To Washington High, fairness is more important than winning the game. In every game in which we have taken part our players have been fair and square.

Every student of Washington High should try to attend the Hayward game. It is the biggest game of the football season. We must prepare ourselves for this great game. To do this we must know our yells. At the game, students, when our yell-leaders are leading us, we must obey them and give the yells correctly. The yells have much to do in winning the game. If we do not yell together, it disturbs and excites our players. We might lose the game by carelessness.

Brother and sister students! Let's all be on the bleachers when the team is on the gridiron, to cheer our men to victory!

Let's go!

MISS MACMILLAN ANNOUNCES DIVISION OF P.E. CLASS

Miss McMillan, physical education teacher, has announced the division of the physical education classes into teams.

The division of these teams are to give each girl a chance to play on a team. It is also being used as a means of developing better team work for the inter-period games which will be held later in the season.

A definite form of scoring has been worked out so that each of the fifteen teams have a chance to be winner. The team scoring the highest number of baskets at the end of the game series will be considered victor.

The names of the captains and teams are as follows:

FIRST PERIOD

Captains	Teams
Constance Reina	"Troupers"
Irma Clark	"Clarkie's Babies"
Alice Lemos	"We"
Mary Lopes	"Tomboys"

Second Period

Aileen Steinhoff	"Our Gang"
Mary Duarte	"Red Hot Peppers"

3d Period

Teresa Pimentel	"Pimnie's Dumbbells"
Elizabeth Shinn	"Hollans"

4th Period

Irma Dutra	"Whoopie Kids"
Sophie Swanson	"Swan's Stars"

5th Period

Mary Janeiro	"Ginger's Jazz Babies"
Thelma Nevis	"Rough Riders"
Isabel Azeveda	"Izale's Dizzies"
Elinor Silveria	"Little Pals"

6th Period

Pauline Evulich	"Bachelor Girls"
Alice Sequeria	"Flying Clouds"

FLORENCE BEWICK RESIGN AS GIRLS "W" CLUB HEAD

A meeting of the old members of the Girls "W" Club was held Tuesday, September 17. Florence Bewick, who presided over the meeting tendered her resignation which was accepted. Mary Janeiro was elected as president and La Von Molter as vice president. Plans are being made for a reception and initiation for the new members.

The girls began their inter-period basketball games, September 16. Each team played five minutes, at the end of which another team was put on the field.

The score stands as follows:

Team Name	Score
Troupers	0
Clarkie's Babies	4
We	7
Tomboys	2
Our Gang	3
Red Hot Peppers	22
Pimnie's Dumbbells	8
Hollans	8
Whoopie Kids	15
Swan's Stars	3
Ginger Jazz Babies	14
Rough Riders	10
Izzy's Dizzies	14
Little Pals	6
Bachelor Girls	2
Flying Cloud	12
