## INTERESTING TRIP TAKEN BY SENIOR CLASS

On October 7th the members of the senior civics class accompanied by Miss Douglass and Mr. Gatchel went to Oakland. The purpose of the trip was to see some of the things they had been studying about.

At twelve-fifteen many cars left Washington High. Their first stop was at the Star factory. The exterior of the factory, which is very good looking, gave the students an idea of what the appearance of a factory should be. All of the work was done systematically. Each man has a special amount of work to do on the car. After getting pamphlets and asking all the questions they could think of, they got in their cars and continued on their way.

Their next stop was at the cotton mills. Although it was an interesting place it was an unclean one. Here they saw all processes from the making of thread to the manufacturing of cloth. The pieces of flying made it a very unpleasant place.

Their last stop was at the Shredded Wheat Factory. When they arrived they were taken into the dining room. Here they were given Shredded wheat with peaches and cream. Then they were shown thru the factory. At this time all systems were explained to them.

The employees are given warm lunches. In the morning and afternoon they are given ten minutes rest. They have one room for those who become ill or injured while at work. There is a playground here which is for the use of the employees.

Ten boys had a game of volley ball while others played tennis.

Each senior was given a taste of the candy given by the Company. Sample packages of Shredded wheat were given to the students. Shredded Wheat contains all food matter necessary for proper nourishment of the body.

Following an excellent dinner at Tait's they went to a show. Then they went home contented.

## CONVENTION OF GIRLS' LEAGUE TO BE HELD

At the Girls' League meeting last Monday, it was announced that the Annual Girls' League Convention will be held Saturday October 21, at the Redwood Sequoia High School. Two delegates were elected to attend the convention. Margaret White and Mary Beveridge were elected. Helen Andrade and Marie White were elected as alternate delegates. Miss Sandholdt will also attend the Convention.

Uniform dress was discussed at the meeting but no definite action was taken on it.

A second meeting of the Junior Class was held on Thursday, October 6, Activity Period, in the Auditorium. Its purpose of it was to decide upon class dues. It was decided that Juniors have dues of \$2.50. Someone gave a talk about paying the Student Body dues as quickly as possible.

Come on Juniors! Put the Junior Class on the map by paying your student body and class dues!

## OPEN FORUM AT STUDENT BODY MEETING

The Associated students met for a real peppy meeting during the A. P. of Friday the 7th.

Since the student body officers were not present, Mr. Hodges acted as chairman, and Jewell Anderson as secretary.

The meeting was opened by having the students sing a couple of peppy songs, which were led by Miss Darnard, who perched herself on a bench so that everyone could see and follow her, and also keep together.

The football men were asked to come up front. They complied with the request, and the team and coach who are working hard to make a name for "our High", seemed in their proper places standing before the student body. Then followed several yells in their honor.

Mr. Hodges called upon several students to give their opinions on the subject "What we could do to improve our school", and the following ideas were given:

1. Eight periods, with eight pe-

riods the students would be able to take more subjects or those not desiring to do so would have more time for other activities and study.

2. More tennis courts are needed. At present many students do not have the opportunity to play because we haven't enough room.

3. Beautify the grounds. With a lawn, more shrubbery and trees, our school would be a great deal more attractive to ourselves as well as visitors.

4. We need a Gymnasium. A gymnasium is necessary to take care of the needs of the physical education classes. Students should begin to boost for a Gymnasium before the bond election.

5. Student body dues. Let's all pay our dues. We want one hundred per cent membership. The classes should compete for the honor of being the first. By paying your dues you will be entitled to one Hatcher each publication and admittance to the games. Let's all work together.

## SCHOLARSHIP CONVENTION TO BE HELD IN LOS ANGELES

The third meeting of the C. S. F. No. 111 was held Oct. 6. The purpose of the meeting was to discuss the semi-annual convention which is to be held in Los Angeles on High School has generally been represented at the conventions, so it was decided to send delegates to this convention if possible.

A letter was read and discussed concerning the Phi Beta Kappa at the University of California. The Phi Beta Kappa is an Honor Society which resembles the Scholarship society of our school. They look after and are interested in all the students who have entered college and were members of some chapter of the C. S. F.

Since there was no further business, the meeting was turned over to the newly appointed chairman of the program committee, Daisy Mendenhall. Helen Andrade read a play "Bossip," which was thoroughly enjoyed by everyone.

The honor roll last month had a terrible fright. There were not half so many members on it as there were a year ago. The Junior class has led the Honor Roll in having the most students on it, but they broke their record last month. Chapter 111 would like to have you as a member of the Chapter.

## SENIOR CLASS START WORK ON ANNUAL

The members of the Senior Class have already started to work on their annuals which they have promised will be good.

Representatives from Bushnell's Wallace and Gibson Studios all made excellent offers to the class for the photography.

Following this, Mr. Smith, a printer from Modesto, quoted his prices on all printing. He showed the members of the class some very good annuals put out by other schools.

## JUNIORS AND FRESHMAN TIED FOR SCHOLARSHIP HONORS

The Juniors and Freshman have tied this month with eleven members each on the honor roll. Following are the members of the Honor Roll for this month.

Freshmen: Fitting, Harold; Flores, Henrietta; Foster, Olivia; Luna, Lola; Munger, Milton; Nakasima, Sumi; Oliveira, Ariene; Pimentel, Frank; Isurue, Sakaki; Sequeria, Alice; Sequeria, Ida.

Sophomores: Dusterberry, Eugene; Dutra, Lena; Lucas, Mary; Mau, Ruth; Sekigahama, Masaka; Shinn, Elizabeth; Stuhilber, Elmer; Suttier, Elsie; White, Marie; Witherly, Ed.

Juniors: Glasgow, Mervin; Beveridge, Mary; Bloss, Orville; Caldeira, Mary; Destrella, Doris; Laskey, Irene; Sayles, Mildred; Thomas, Isabel; Teeter, Eva; Van Dervuort, Dorothy.

Seniors: Amaral, Evelyn; Bruberg, Percy; Cesari, Lillian; Hiller, Ina; Matsuda, Ichiji; Overacker, Carolyn; Sinclair, Margaret; White, Margaret.

## BOYS' SERVICE CLUB HOLD MEETING

The Boys Service Club of Washington High School held their regular meeting on Monday, Oct. 10. The names of the new candidates for election into the club were read before the members. It was decided to vote on them next meeting.

The first monthly night meeting is to be held on Wednesday night Oct. 26 at the high school for the purpose of holding an initiatory ceremony for the new members.

## MISS DOUGLAS PRESENTS GIFT TO LIBRARY

The school acknowledges gratefully the gift to the library of two excellent books on Woodrow Wilson; "Woodrow Wilson as I Know Him," by Joseph P. Tumulty, ex-Secretary,

## JUNIORS 100 PERCENT STUDENT BODY MEMBERS

At the regular meeting of the Associated Students last Friday, Tony Duarte, treasurer, stated that the Juniors came out first in full spirit with 100 per cent Student Body membership. The Seniors were ranking second with three delinquents, followed by the Sophomores, and the Freshmen last.

Following a brief discussion on the coming Thanksgiving Dance, the students passed a motion which gave the president authority to appoint a committee to look into this matter. This year the Student Body is putting aside \$100 for the purpose of this annual affair. A great time is expected.

An announcement was made by "Ed." Enos, athletic manager, concerning the football game on the 21st at Richmond.

"Gen" Dusterberry, president of the class of '30, announced that the Sophs' Hard Time Dance will be held on the night of 21st at the Country Club House.

Later part of the assembly was devoted to various entertainments under the supervision of Ellen Dusterberry, the head of the program committee.

The members of the Boys' Glee Club, Paul Lygax, Jim Bunker, Claire Bettecourt, George Lucas, Morse Silva, and Sabino Ramos, accompanied by "Margie" Martin, gave two vocal numbers.

Members of the Senior Class gave a play in honor of Columbus Day. The 1st scene took place in the royal court of Spain. The actors were Margaret Sinclair as a queen, Les Nunes as Columbus, and Pete Souza as queen's advisor.

The second scene revealed the transoceanic trip on the Spirit of Columbus (an old Ford car). John Andrade acting as a news boy caused much laughter. The play was concluded by Lee Wilson's short speech.

## SOPHOMORES PLAN HARDTIME PARTY

For many years it has been the custom of the Sophomore class to give a mask dance. At one of the Sophs' recent meetings it was decided to have this great traditional affair tonight in the Country Club House, Centerville. But tonight the Sophomores will have a hard time dance instead of the old mask dance.

The committee has selected Fred Muller's orchestra to play for you. Remember, the Sophomore Class heartily invites all the students who are members of the Student Body. Everybody be sure to come, for remember "Hard Times", means old clothes. Therefore you ought not to have any trouble in finding a pair of overalls and an old straw hat or something similar.

Don't forget, tonight is the big night.

to President Wilson, and "Addresses and Messages," by Woodrow Wilson, the latter in limp leather binding. These books were given to the school by Miss Douglas.

### THE SAFETY VALVE

What is meant by this heading? Well you should have been at the meeting of the Associated Students, held September 30th, and heard all the change in our High School, building grounds administration, etc. which were suggested by the students. Thus we returned to the good old days of true democracy when every one had a chance to express his opinions. These opinions will help to make our student organizations, such as the Associated Students, Girls' League, Boys' Service Club, Scholarship Society, etc., conform to the desire of the majority rather than a favored few.

On May 14, 1629 the people of Massachusetts established a democratic government. This was only the beginning. On July 4, 1776 the people of the United Colonies were given liberty and freedom. Our democratic form of government has now grown in power until it is copied by many other nations of the world. One of the greatest organizations behind our government is our Public Schools. Surely its students should be trained in democracy, as tomorrow they will be the ones who will hold the reins of government. Education is the only thing that will make democracy safe. Therefore Washington Union High School should foster democratic organizations.

In every issue of the Hatchet there is a student opinion column which corresponds to the Safety Valve. The students are supposed to write up their opinions, criticisms, and suggestions and hand them to the editor. This column is not supposed to be written by members of the staff. If you are too bashful to speak in the student body meeting, then write your opinion on a slip of paper and send it to the editor.

When a student tells only what he thinks should not be done he is not helping. If we wish to tear down we must have something better to put in the place of the old, or else should hold our peace. What a man does not believe never got the world any farther ahead. No organization can thrive with a negative goal. In every organization there are usually several knockers and conspirators who go around talking on the side. If they would tell their fellow members in the meetings what the trouble is and suggest changes, the school would be rid of knockers, kickers, and all this energy would go toward making the school a really democratic organization. If you do not give your opinions in the meetings you are not making use of your privileges. We hope that more students will give workable suggestions in future meetings. Let's hear what you think.

## Hatchet Knicks

Some freshmen refuse to believe that they evolved from monkeys, and so today we still have monkeys. When they do evolve, seniors will shed their feet just to keep ahead of the greivous species.

A light globe-symbol of enlightenment has wires, and vacuum in it; a freshman's head hasn't got the wires. Inspirational fires can't find enough oxygen in his cranium to burst into flame so when you see his ears smoldering a bright red, you may be sure that he's beginning to suspect his algebra problems of having answers. But he doesn't clean the clinkers out and heat the water on his ardn to useful steam until the year-end blast comes.

The freshman is said to be a part of our school. What part is he, why is he a part, and whether he knows he is a part or not, are questions which post department of the agriculture service might be able to answer. He might be a door prop, judging by the way he has of getting between the door and frame. But it is not fair to judge him by the way he hobbles with the cocrnob rather should we observe his extreme floor ability.

### AS SALLY SEES IT

Say folks, what happened to that old fossil who made up school yells? S'pose we can dig him up and get him to make some new yells for us? Seems to me we need some up-to-date yells.

Up-to-date that's it. Come on folks get your heads together and make up some snappy yells. Im sure our leaders won't mind it. Anyhow, we can try. First make them up and hand them over to the yell leader. I, for one, am sure they won't care. Let's try it.

### AUDITORIUM ECHOES

Oh Gerry, where did you get dat little brown baby?

I forgot how to suggest.

Oh Skow-w-w!

O'mon now, O'mon now, yell.

### EASY SOLUTION

"The doctor says that I must cut out cigars, drinking and late hours."  
 "That means a decided change in your mode of living doesn't it then?"  
 "It means nothing of the kind. It simply means I change doctors."

Do you think that automobiles are ruining the younger generation?

No, I think the younger generation are ruining the automobiles.

## STUDENT OPINION

Dear Editor:-

After the football game on Friday against Gilroy, a boy walked home. This boy didn't come to see the game. It happened that this boy walked to his home five miles away from the Little Brown School House. Just think that this boy had played a hard game of Football. Played and held his place on the Line. Don't you think that this person had enough exercise without footing it home. Now you will try to say that it is not your fault. No, I suppose it isn't. But things like that can be avoided. When a boy has enough School Spirit to do a thing like that lets help him. Let every of us make it a committee of one to see that it doesn't happen. If a football player lives near you and you come to the game in a car, ask if he wants a ride. Some people hate to ask favors so help them out. It is a thing that we can do without any trouble. Just think of the good you will do some one.

### RHYMES

A wonderful bird is the sea gull,  
 Which can fly quite as high as the eagle  
 They sit on the sand and sometimes  
 they stand,

But you can't tell a he from a she gull  
 Consider the fresh roasted peanut  
 That is not a regular tree nut.  
 The blamed thing is found  
 Deep in the ground,

But you can't tell a he from a she nut.  
 All praise to the primitive tree man,  
 And then to the husky young seaman,  
 The man of today

Is all right in his way,  
 But you can't tell a he from a she man.

San Jose High School Herald.

### HIGH PERCENTAGE

"Any abnormal children in your class?" Inquired the inspector.  
 "Yes," replied the school marm, "two of them have good manners."

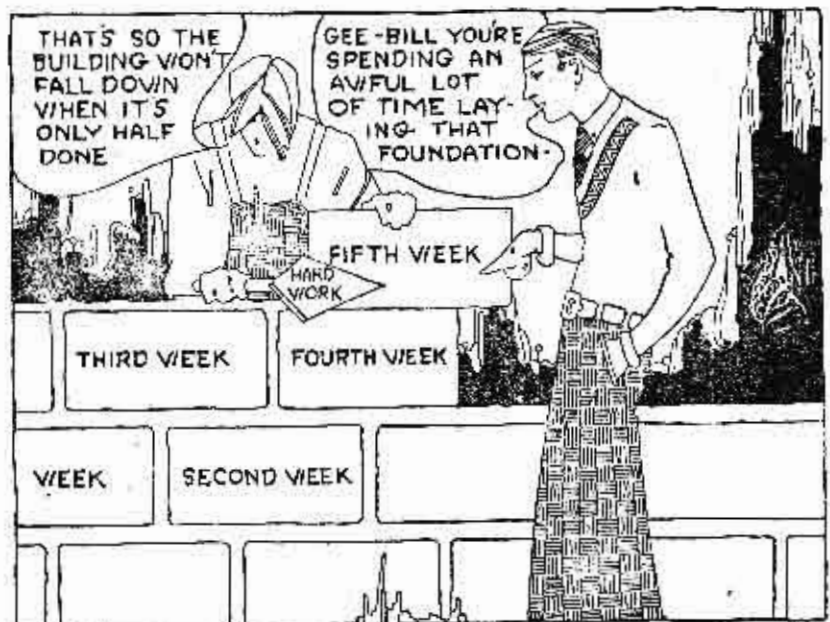

Unlucky Motorist who killed the lady's puppy:-

Madam, I will replace the animal.  
 Indignant owner: "Sir, you flatter yourself."

### ENDLESS CHAIN

"Who has the last word in your house?"  
 "There isn't any." Answered Mr. Henpeck sadly, "my wife talks in her sleep."

## Getting in the Groundwork for the Year

Louise Clark '26 was married on Saturday, October 8 th to Modesto Estaban. The bride was attended by her sister, Miss Erma Clark.

Velma Francis '23 was married on Wednesday, October 12 th to traffic officer Joseph Lewis.

Charles B. Overacker (Carol's brother is now a lieutenant in the United States Air Service. He is stationed at Mitchell Field, Long Island New York.

Laura Dutra '27, is working in Newark.

Lesda Sayles, Mildred's sister is here at school taking Mechanical Drawing. She is also teaching Spanish at Night School.

The San Jose high school has organized a boys' league. Three of the students have drawn up a constitution and it looks as though the league will be a great success. The work of the organization is to make visits to many of the schools of the Bay District and take up a study of boys' organizations.

The Stockton high school girls' student control committees have been selected. These groups of girls will meet regularly to determine the cases of the minor offenses of the girls. Four girls will act as judges of the court each quarter.

The students of Kallispell high school in Montana have worked out a new plan to prove to the merchants of Kallispell that advertising in the school paper, The Flathead Arrow, is not considered as charity work. Students are requested to bring in all the sales slips they can collect in the next month and \$5.00 and \$3.00 will be the prizes awarded to the two students bringing in the most slips.

The Freshmen of Kallispell high school, Montana, have organized a Fresh Dramatic club. The Fresh hope to carry on the plans of the class that preceded them. They also hope to cooperate with the Sophomore Dramatic club for part of the coming year.

ADDITIONAL SPORTS

GIRLS' SPORTS

Tuesday second period played the fifth period. The score was 6-0 in fifth period's favor when the second began to score. Two baskets were made in a short time, then one foul was called on fifth period, giving second another point. Excitement began to run high when the second period scored another basket. When the ball went up for the last time the score was seven to six in second's favor with ten seconds to play. Fifth got the ball and passed it straight down the field to her forwards and into the basket. About three seconds later the whistle blew and the game ended with fifth period the victors by one point. Score 7 to 5.

The teams were lined up in the following manner:

SECOND PERIOD

Irene Lasky	forward
Jovanna Scaeci, Capt.	forward
Eva Trotter	center
Edith Goulart	side center
Elsie Sutter	guard
Marie White	guard

FIFTH PERIOD

Mary Caldeira, Capt.	forward
Mary Beveridge	forward
Dorothea Willis	center
Dorothy Van Der Voort	side center
Mildred Sayles	guard
Helen Baird	guard

CHAMPIONSHIP GAME PLAYED

Wednesday, October 12, the championship game of the Girls' Basketball teams of Washington High was played. Fourth and fifth periods were out for the finals, since the other teams had already been eliminated.

Although this was not as close as one of the other games, it was probably the hardest fought game ever played this year.

The score was six to four in fifth periods favor.

FOURTH PERIOD

Elizabeth Costa, Capt.	forward
Margaret White	forward
La Von Molter	center

The San Jose high school's A and B basket ball teams have met for their first practice this season. The teams are starting early this year, over thirty fellows having signed up. They claim they are going to have an excellent team this season.

HERE AND THERE

Della Dennis and Geraldine Flower, former students of Washington High, were visitors at school on Columbus Day.

Ella Sullivan and Marcella Bliss were visitors in Pleasanton over the week-end.

Washington Union High was well represented at the St. Marys California foot ball game. Among those Leland Silva, Robin Trask, Carolyn Overacker and Marie White.

The D. O. Club had a meeting on Friday at the Memorial Hall in Centerville.

Francis Habenicht entertained a group of school girls at her home on Saturday evening.

Evelyn Amaral	side center
Lillian Cosari	guard
Mary Janeiro	guard

FIFTH PERIOD

Mary Caldeira	forward
Mary Beveridge	forward
Dorothea Willis	center
Mildred Sayles	guard
Helen Baird	guard

Before the basketball season has entirely closed, the writer must comment on the sportsmanship shown by the girls. There have been good winners as well as good losers on the teams. Along the side lines it has not been so good and the writer advises everyone to take a look at the Sportsman's code presented to the students by the Boys' Service Club.

Edith: "Marriage is a fifty-fifty proposition."

Ray: "Sure, fifty for a new dress; fifty for a new hat!"

The most successful lover, nine times out of ten; is the most successful liar.

"How's the car running?"  
"Tireless'ly."

What happened in the millinery class the day Evelyn Moore was absent?

Why did Edward Enos say, "No, not Margaret Sinclair," so earnestly last Thursday, and when we laughed, why did he get so red?

It makes me laugh every time I see Leland trying to attract Elsie's attention, because he does act so queer.

To find out what is meant by a Sunday night beau, ask Bob Wright.

Would the hall parkers mind not parking in front of open windows on hot days, for it stops air circulation in the hall.

Did you ever notice how the Sophs. like to come to Mr. Solvason's A.P. roll room?

Does any body know the polite boy who snatched a book and left without saying a word of thanks, after Mrs. Wright had found his reference for him?

At the Durant factory, I heard Jack Awbrey say to the girl with whom he was walking, "It surely is cute, lets buy one."

### Washington Plays Richmond Today

Today, the Washington High Varsity will go to Richmond where they will play the Richmond Varsity in a game of football.

Duarte is expected to take care of the kicking and passing end of the game. Rose is expected to do "big things," on his line plunges, while Leonardo will skirt the ends for many good gains. Jolliff will be seen grabbing passes throughout the game. On ends, Fontes and Ruschlin should receive a great deal of honor. The two guards, Ferry and Jacopi, the tackles, Swanson and Sato, and the center, Cull go to make up our stonewall.

Richmond, it is reported, has a very strong team but so have we, therefore the game should be very exciting.

#### FRESHMEN ORGANIZE TEAM

Freshman base ball was started this week for the purpose of competing with some of the local grammar school teams. Come on Freshmen. Get out when the coach calls you and play a real base ball game. Here's a mighty good chance to show your school spirit. Make a good showing and probably you will have a chance for the Varsity.

When the coach calls for the varsity baseball practice, don't be afraid to come out. The more players, the better team.

### Washington Varsity Defeats Roosevelt 19 to 0

Washington Cornhuskers took Roosevelt into camp after a score of 19-0 was piled up. It couldn't be said that Roosevelt played a slumpy game because they didn't. It does seem to all who saw the game that Washington played a superior game, which is true.

Although in the play by play report (near as possible) below, the backfield are the only ones mentioned; don't forget that Line. It was the line that held for punting and passing. It was that line that opened up roles for the big line gains.

Leonardo put a beautiful kick on Roosevelt's ten yard line which was run back ten yards. Roosevelt failed to make first down and punted. Jolliff ran back the ball ten yards. Washington then made three successive first downs. Washington fumbled on ten yard line; recovered by Cull. Incomplete forward pass on the fourth down and ball went to Roosevelt. After two downs Roosevelt punted to Washington's thirty yard line. Leonardo ran back the punt twenty yards. Bud Rushin caught a thirty yard pass for a touchdown. Duarte to Jolliff converted. Washington kicked to Roosevelt's fifteen yard line Roosevelt returning kick fifteen yards. Roosevelt kicked to Washington 40 yard line. Score 7-0.

#### SECOND QUARTER

A pass to Jolliff gave Washington thirty yards. After a couple of plays Manuel Rose went seven yards through the line for another touchdown. Washington did not convert. Leonardo kicked to thirty-four yard line; ball an back three yards. Washington penalized for 15 and 5 yards in succession. Roosevelt's ball on Washington thirty yard line, first down. Roosevelt loses ball on downs. Washington makes first first down. Leonardo goes around end for wonderful run. Again Washington's first down. For a third time Washington completes a third down; taking about two plays to every ten yards. Two incomplete passes give Washington a five yard penalty. Washington punts; Roosevelt recovers on five yard line. Half ends, ball on 9 yard line. Score 13-0. End of half Wyatt and Santos went in for Ferry and Swanson.

Jana Brown

### Cornhuskers Defeated By Highlanders

Displaying exceptional passing power, Piedmont Highlanders won the football game by a score of 14-0.

Early in the first quarter, Colvin, the Highlanders' end, caught a long pass which netted the first score for them. Our line men out-played their line men; they stopped every play that the highlanders tried through the line. Fontes and Swanson were the outstanding stars on the line. Duarte came through in good fashion proving in every way that he is a real High School football star. He punted twice about sixty yards, which placed our team in their territory several times.

Rose, the most deadly plunging back on our team made several long gains, making it seem likely that the cornhuskers might score. Jolliff, the pilot of our team caught several passes which netted considerable yardage.
