# Meet The Students Who Worked To Put Out Your Paper This Year

Since this is the last issue of the *Hatchet*, we thought you would like to know a little about the staff members who have been writing the stories for the issues you have been reading.

Nine staff members are seniors, and this will be the last issue they will be putting out. They are:

**Marilynne Watts - editor:** Marilynne, after a hectic year of being editor of the *Hatchet*, is going to be graduated, then start in at San Jose State to major in English and Journalism.

**Donna Woodbury-ass't Editor:** Donna has not only been assistant editor of the *Hatchet*, and has taken over when the editor wasn't here, but also is reporter for the Newark Sun.

**Roger Amaral-sports editor:** Roger, during this year, has been *Hatchet* sports editor. His job is to see that the assigned stories for the sports page get turned in, and are correct.

**Alan Rowe - Business manager:** Alan as business manager has been in charge of all the ads that appear in the *Hatchet*; that is, getting the sizes and finding out which ones go into each issue. For sports Alan has been chosen top swimmer of the year.

**Alwyn Silva-photographer!** The photographer for the

—Alwyn, sitting—Charlene, Marilynne, and Donna; standing—Bernie, Rich, Alan, Eileen, Jane, Ed, and Manuel; not pictured—Leona, Kit, Roger, and Terrie.

*Hatchet* has to take all the pictures that appear in the paper. Alwyn recently received an honorable mention at the Northern California Scholastic Press Conference at the University of California.

**Manuel Bettencourt-reporter!** During Manuel's second year on the staff he has contributed many of the stories seen in the previous issues.

**Bernie Blondin-reporter!** Bernie has had a variety of things to do during his year

in the staff. He has written many stories, especially about Irvington High, and has been in charge of the headlines to be written.

**Rich Corey-reporter:** Rich has been on the staff since his freshman year. All during this year his main assignment has been doing the *Roddy Around* column for each issue.

**Ed Solusky-reporter:** Ed has contributed many of the sports stories. The box scores that have appeared in the

past two issues have been done by him.

Those are the nine seniors on the staff. The five remaining are juniors and will be back next year to put out more *Hatchets* for your reading pleasure. They are:

**Leona Bohannon - reporter:** Leona has had a great deal of stories to write in the past year. Her specialty is feature stories. The club news column you read has been hers to write.

**Charlene Hay-reporter:** Charlene was put onto the staff at the middle of the year because it was "short staffed".

**Eileen La Fontaine-reporter:** Eileen on her first year of the staff has had many stories to do, many of them being interviews. She has done the *Girls' Sports* column.

**Terrie Pedro-reporter:** Terrie joined the staff at the middle of the year and has done anything from writing stories to typing them.

**Jane Webb-reporter:** Jane was put on the staff at the beginning of the school year. She is the staff's number one typist. Next year she will be editor of the *Hatchet*.

**Kit Brady-reporter:** Kit a senior is a combination of Journalism I and II. This being because he was absent a great deal at the first of the year because of an accident. Kit has been writing the column, *Off the Record*.

## Husky Hi-Lites

BY MARILYNNE

Choosing the words for this column has proved a most difficult undertaking. Perhaps the realization that this is my final job as editor will explain my loss for words. However, at this time I shall make an attempt to say "good-bye."

But before I take my leave, I wish to thank the many people who have assisted me in my job. My three advisors, Mr. Peterson (*HATCHET*), Mr. Theilmann (Print Shop), and Mr. Roberts (Leadership), have given me so much of their time and patience and have become such good friends

ends of mine that a mere "thanks" to them hardly seems adequate.

The *Hatchet* staff deserves more than thank you, but this seems to be all I can give besides my respect and friendship. The paper never had such a capable group of students—they've accomplished much.

I'd also like to extend my gratitude to our co-operative administration and faculty. They, as well as the staff and advisors, made putting the *Hatchet* out easier by their co-operation with and respect for the paper.

This all sounds pretty sentimental to most people I warrant. The only explanation for my melancholy is that working with the *Hatchet* for three years has left it more or less a

## A Farewell Word From Mr. Hird

"Four years ago you entered high school as freshmen. Now you are in the last days of your senior year. You have reached one of the most important periods of your life. A decision must be made on what avenue of life you will pursue in the future. Will you seek employment, get married, or continue in higher education?"

"Regardless of your choice, do the job as well as you can. Dr. James B. Conant, stated, and I quote 'Each honest calling, each walk of life, has its own elite, its own aristocracy based on excellence of performance.' May your future bring you success and happiness."

"If I can ever be of assistance to you in later years, please feel free to call on me, because as your principal, I have an interest in each and every one of you. I realize that because of the school's large enrollment, the opportunity to know each of you personally has been impossible."

"My sincere congratulations to you, the Class of 1960."  
—Mr. Hird

part of me. It's really going to feel strange next year without something to write or some deadline to meet.

The assistant editor, Donna Woodbury, who's in charge of

part of this issue, told me to say "farewell." Here goes my hardest assignment. Good-bye and I hope I've done a good job for the *Hatchet* and Washington High.

## Senior Ball To Be Held In Jack London Square Tonight

Tomorrow in Jack London Square, the senior class of 1960 will hold the first senior ball off campus in the history of the school.

Under the theme of "Manhattan After Dark," seniors will dance to the music of the Dick Dildine Orchestra. This orchestra is featured every week-end at the Avalon Ball Room in San Francisco. This

10-piece orchestra has also played in various clubs in the Bay Area.

Miss Reba Brown will be the featured singer of the night. She is a 1957 graduate of Washington High; her real name is Becky Leach. She is appearing nightly at the Gay 90's night club as its featured singer.

Comedian Ronnie Schell is now appearing at the Purple Onion. He has also been seen on the Sherwood television show.

The Travelers, a singing group, consists of two men and one girl. They record for KAPP records and are now featured at the "hungry 1."

A special bus will be furnished for all those desiring transportation to the square Friday, it will leave at 8:15 p.m.

Washington's Dad's Club is sponsoring the dance. Pictures may be purchased at the dance. A set of two will be \$2.

## Writing Contest Is a Success

Bonita Mae Aldridge, a junior, took first place in the poetry division of the recent Creative Writing Contest sponsored by the Penman Club.

Carol Ewing and Francis X. Le Sage, juniors, placed second and third respectively in the poetry division.

The winner of the short story division is Diane Martin, a freshman. Her runners-up are Jonathan Swift, freshman, and Susan Taylor, junior.

First place winners will receive \$25 bonds. First, second, and third place winners in both divisions will be awarded certificates of merit.

The contest was intended to obtain material for the spring edition of "The Inkling," the school's literary booklet.

"Our contest was very successful and resulted in many excellent short stories and poems," commented Lillian Armstrong, editor of "The Inkling."

Judges for the contest were Mrs. Williamson, reporter for the Oakland Tribune, and Miss Cornish, Centerville librarian.

## Grads Are Enjoying Senior Breakfast

The class of 1960 are recalling their fondest memories and discussing their dreams for the future and plans for tomorrow night's climax to their high school days--the Senior Ball, as they sit together at the breakfast table.

The Senior Breakfast is being served this morning in the girl's gym.

Kimi Miller, chairman of the Senior Breakfast Committee, planned the meal with the help of Pat Pennington, Connie Cipriano, Carol Bauhofer, John Beumer, and Jim Reader. Frank Hass provided the background music.

## '60 Favorites: Pizza and B.C.

Not too long ago, seniors were asked to vote on their favorite color, song, etc.. After the poll was taken these items placed big! Among these, blue was found to be the favorite color. "Theme from a Summer Place" became the favorite song while "On the Beach" was rated favorite movie.

As the rating went on, it was found most seniors' favorite pastime was listening to the radio, playing records and dating. We found seniors preferred casual clothes and favored slow dances to fast.

Pizza became the favorite food, and as for TV, "Hawaiian Eye" was rated above all other programs.

Because our seniors do spend a lot of time listening to the radio, they were asked their favorite radio station. Most seniors chose KEWB.

Singers Johnny Mathis and Connie Francis were selected favorite vocalists. Debbie Reynolds joined Rock Hudson to become favorite movie stars in the eyes of 'he Senior Class. Favorite comic strip? B.C.

Robin Berryman, Cathy Nolte, and Marilynne Watts are among those who are making last minute preparations for their "coketail" parties before the Senior Ball tomorrow

## Seniors Sneak

One of the fond memories of the senior class was Senior Sneak Day picnic at the Blackberry Farm in Cupertino, June 3.

Second period the buses were loaded, and the Senior class set out for a day of gaiety and fun. A lunch was provided by the school cafeteria.

Swimming, and other forms of entertainment kept the group active until the buses returned for them at about four that afternoon.

## Spring Awards Given At Dinner

At the Spring Awards Dinner on June 2, activity awards were presented to students for participation in various school activities.

The highest activity award medal, which requires 1,000 points is presented is the gold points. Golds were presented to Leon Lemas, Robert Cottell, Annette Glover and Louise Jones.

The silver medal is the second highest award, and it was earned by nine students who received their 750 points.

The bronze medal was presented to eight students who had earned 500 points.

Twenty-three blocks, not including those given for sports, were presented to students who had earned 250 points.

John Beumer was presented with the "Athlete of the Year" award. Alan Rowe and Jim Wood were the runners-up for this honor.

Ken Stahl was chosen the "Most Valuable Baseball Player."

Tage Klingberg is our first exchange student to receive a block "W" sweater. The sweater, presented to him by the Student Council, was for his participation on the championship tennis team.

(Continued on page 9)

Ken Stahl

### Pixies and Baseball

Professional baseball? This dream isn't doubtful when it is connected with Ken Stahl. This 6'1" brown-eyed athlete also played varsity football and is a member of the boys' "W" Club.

In his spare time, Ken likes to go fishing. Another favorite pass time is being with Joann, a little Pixie from Logan High.

Blue is his favorite color, and he is most satisfied with a platter of barbecued spare ribs setting before him, or a nice sizzling hot pizza.

Ken plans to go to San Jose J.C. and play baseball. This is one more step up the ladder to professional baseball, which is his ambition.

### Tage Receives Big Surprise

Nine of the students who attended the Spring Awards Dinner June 4 could have been happier to receive a block "W" than Tage Klingberg - his letter was attached to a school sweater.

Tage, this year's foreign exchange student from Sweden, had been trying to buy a sweater for the block "W" he had earned as a member of the championship tennis team.

The student council had already agreed to present a school sweater to Tage along with his letter, but decided to keep this fact a deep, dark secret until the presentation.

Marie Contreras, in an effort to steal the purchase, suggested she could obtain one at

Shirley Meyers

### 'Bergers 'n' Shopping

"The year I was elected Girls League Representative to Student Council, but didn't run for it," is the favorite memory of Shirley Meyers.

Shirley was born in San Francisco at St. Francis Memorial Hospital on March 30, 1942.

Being active in GAA, dance chairman for Girl's W Club, Student Court and also being a "Blue Miss," a service club for the hospital, takes up most of Shirley's time.

Some of her favorites are 'burgers, the color brown and red, the movie A Summer Place and movie stars Sandra Dee and Rock Hudson. Shirley also likes tennis, swimming, and shopping.

Her future plans include going to San Jose City College, then to Santa Barbara to major in physical education.

Where Nancy Hall, Cathy Dutra, Marie Contreras, and Billie Colburn are you usually find Shirley.

a discount, but conveniently postponed the deal until after the awards were made.

So the night of the dinner arrived, and Tage still had no sweater.

His problems were solved later that evening. Alice Shaw, in behalf of the student council of WHS, presented the sweater and block to a wide-eyed Tage, making him our first foreign exchange student to ever be awarded a "W"

### Blue and Sue, Too

The boy who likes blue and Sue is none other than Rich Corey. This five-foot seven inch senior guy also likes J.S.C., Key Club, Boys' "W" Club, and the Strollers Car Club. He has also been on the Hatchet staff and in sports for four years.

"When I was a sophomore, I ran up and down the street looking for the house that Stan Kalino's date lived in. She had given Stan the address, but we couldn't find the house. By the time we got to the dance, I was soaking wet," commented Rich when asked about his most embarrassing moment.

Rich plans include: college at San Jose City College; becoming a high school teacher, and Sue.

Rich Cory

Billie Colburn

### Off She Goes Again

Billie Colburn, Washington's foreign exchange student who went to Finland last year, is planning to do some more traveling after graduation—this time to Ohio to attend Bowling Green State University.

Billie was born in Burbank, California, on March 27, 1942. Now she lives in Irvington, "right out in the cow pastures."

"Theme from a Summer Place" and cheesecake, "the food type," go over big with Billie.

Among Billie's closest friends are: Julie Close, Suzy Brown, Pat Morgan, Shirley Meyers, Joan Rose, and all the fellas.

Billie is active in Jr. Statesmen and the newly formed Ski Club.

# Seniors Hopes, Plans For The First Time... SENIORS WILL Do You Want?

As the school year draws to a close, the class of 1960 prepares to face the world. Each graduate has his own special hopes and plans for the future:

Charlene Perriera—I plan to marry Bob and raise a family.

Sharon Baker—I plan to count fuzz balls on bulky knit sweaters.

Allen Mercer—I'm going to go to college, get married, and most of all be happy.

Lonna Van Steenberg—I'm planning to train for nursing.

Larry Elmore—I hope to get out of high school.

Karen Brown—I'm going to wait for Corky to come home.

Bob Kimmel—I have abandoned all hope and have become prepared for complete chaos.

Jackie Oak—I plan to work, then marry in the fall of 1961.

Jean Stevens—I hope to be a flag pole sitter.

Barbara Tarr—I hope to join the rest of my family at Fleishacker.

Ron Alsobrook—I want to reside at the Le Quarter Latin in Paris and have direct communication with North Beach and Greenwich Village.

Eiva Jane Lobato—I hope to take strings off string beans in a string bean factory.

Linda Caster—I plan to throw rocks at glass houses.

Joe Bean—I plan to study law in college and become either a great lawyer or a master criminal.

Barbara Standnisky—I hope to drive people nuts, be a psychiatrist and charge them a lot of money, and get rich and travel around the world.

Pictured below are some of the firsts at Washington this year. For more information, read the story about the 1959-60 progress on page ten.

As Bob Reina, Stephanie Finlay, and Linda Yowell look on, Jerry Chalmers talks to Dick Stewart at one of the appearances that WHS made on TV this year.

Eating lunch in the new patio area and listening to the popular songs played on the juke box are these students in sixth period lunch.

Nancy Ullman, Washington's first FOOTBALL QUEEN, with runners-up Rita Valenzuela and Sandy Gallo, reigns at the James Lick Game.

## ... Memoires, Too

Football games, snow trips and dances are some of the memories of the graduating seniors. These are a few in brief.

Jim Barthe—chasing rabbits with Jim Tipton.

Art Ruskofsky—the first day of school when I got lost in this great big place.

Bobbie Cater—Current Problems—Ha! Ha!

Carol Gant—when I almost hit the truck in drivers' training.

Terry Souza—snow trip with the recreation class.

Anna Yang—senior slave day.

Carol Davidson—the day Dave knocked me out cold on the front lawn.

Donna Woodbury—my whole senior year has been the best, being assistant editor of the Hatchet, and going with Gary has made it complete.

Joy Feleclano—the day I cut school and got caught.

Robin Berryman—the day I got hit in the head with a raw egg.

Lauri Anderson—crying on Coach Stelle's shoulder when we lost the Washington-Logan game.

Caroyln Nunes—the Christmas Dance.

Ruth Keck—the day I died too soon in modern dance.

Mark Runnels—the day I learned Mr. Patrick wasn't the attendance dean anymore.

Crab juice, Gym socks, Current Problems teachers, and, of course, good luck to their friends are willed by Seniors this year.

It has come to be a tradition that in the last edition of the Hatchet space be set aside for Senior Wills.

Student Exchange program. Suzy will talk on the importance of a liberal education in modern society. Helen Treleaven then will sing George Gershwin's "Summertime."

After this, Mr. Hird will present the class of 1960. Next is the presentation of diplomas by Mr. Borghi Jr., president of the Board of Trustees.

The program will close with the Reverend Conrad Simonson giving the Benediction followed by cessional, "We the People."

**Back to Gavle, Sweden**

If you're from a farm in Gavle, a town 130 miles north of Stockholm, Sweden and go by the name of Tage Klingberg, you are this year's exchange student.

Tage, a 6-foot tall, blond-haired, blue-eyed boy, was born in 1942, and will be 18 this July 31.

Shish-ka-bob, Bar-be-Q'ed chicken and the movies *Bridge on the River Kwai*, and *12 Angry Men* are some of his favorites.

During his year at WHS, Tage has been on the tennis team, a member of J.S.C., Junior Statesmen, and key club.

Everything is appealing to Tage—that is—everything but term papers.

After graduation from here Tage is going back to Sweden to continue high school for two more years. After that will come the service then a technical college where he will study.

Tage Klingberg

(Continued from page 4)

Coach Walton was also at the dinner. He was selected "Coach of the Year."

Those boys participating in Swimming, track, baseball, and tennis received their blocks, certificates, and emblems.

Activity points may be earned by participating in Student Government, clubs, sports, and other extra-curricular activities.

**Girls, The Chase Is On**

"On the way home from skating one evening, some of us guys decided to follow a car full of girls. The girls became the followers, and at a red light they got out of their car and began banging on the windows. When we finally got brave enough to look out, we discovered that their mother was driving," commented Tom Howell when asked his most embarrassing moment.

Tom and his friends, Leroy Pyle, John Buemer, and Jim Heller, enjoy skating. However, the problem seems to be how to teach Tom, all five foot eleven inches of him, the art of skating.

"Teachers who give zeros to test papers which don't have names, especially when it's the highest grade in the class," is Tom's pet peeve.

Tom is an active member of Ski Club, J.S.C., and C.S.F.

Tom, who took a medal at the ESCVAL track finals, plans to attend San Jose State for a year. Then he plans to transfer to Cal in order to major in engineering.

Tom Howell

Adrienne Oliveira

**Busy Brown-eyed Lass**

"February 14, the day Paul (Santos) and I first started going steady," stated Adrienne Oliveira when asked about her outstanding moment.

Adrienne is one of the song girls this year, a member of the Washingtonian staff, and an active member of J.S.C.

This dark-brown haired, brown-eyed, senior lists her favorites as pizza, lasagne, the song and movie "A Summer Place," Sandra Dee, Rock Hudson, and the color blue.

Where you find Carol Bauhofer, Gail Peterson, Marie Rodrigues, or Paul, you will usually find Adrienne.

Plans after school include working in an office, and there is also a hint of mystery in the air as to what she is going to do after working for a while.

Phil Buehler

**Tall Swimming Senior**

Voted the tallest boy in his class, this 6'3" brown-haired, hazel-eyed senior is active in water polo and is a member of the varsity swimming team.

He goes by the name of Phil Buehler and could have been seen appearing in the Senior Play, Mrs. McThing, and the Voavil Show.

Phil's favorites include the song "Going to New York," Jimmy Reed, steak, pizza, and potatoes, and the color orange.

His biggest moment was when he was voted the most valuable player on the water polo team this year.

Swimming, hunting, and listening to records and messing around with Ed Solusky and Bob Mendoza takes up most of Phil's spare time.

**Rowe(rs) Set Water Records**

Going hand in hand with Coach Lee Walton's outstanding effort as the Hatchet's coach of the year is Allan Rowe, Hatchet's swimmer of the year.

Swimmer and water polo player Allan Rowe, a senior, has been selected as the Hatchet's outstanding athlete in these sports.

In the fall, Rowe was part of a first string "polo" team the coveted the league crown, but his effort does not begin there, for Rowe has been splashing and swimming for years, taking after his older brother Doug in his love for the sport.

Doug, now in Southern

California, has a national J.C. best free-style clocking. Alan has been instrumental in the Huskies' bid for league championships in swimming.

Alan emerged double victor in a Willow Glen meet, winning the 50 free-style and 200 individual medley events.

Versatile Alan this year competed in the various swimming relays with his teammates.

Rowe, also a good scholastic student, has been swimming since his Sophomore year.

The Hatchet sports staff congratulates Allan Rowe on his sportsman-like effort and presents him as the 1959-1960 swimmer of the year.

## Two Juniors Attend State

Jill Vorhees and Mike Nordvik have been selected to represent Washington High at Girls' and Boys' State, respectively from June 18 to June 25.

Jill and Mike, both juniors, will participate in a mock organization of a community with various levels of government. Delegates elect officials and handle problems similar to those confronting actual government bodies.

Girls' State will be held on the Cal Aggie Campus at Davis; the Boys' State, on the Sacramento fair grounds.

Mike is vice president of Excalibur Club, a school service organization, and he has lettered in track, basketball, and baseball.

Jill is president of the Boosters and was junior class secretary and is now senior class secretary.

Mike and Jill were selected by school officials and the Niles Post and Auxiliary of the American Legion.

Featured in the picture above is Dave Bowen driving his '41 Ford off the line at the Fremont Drag Strip. In this run, Dave turned a 15.56 E.T. and speed of 93.76.

## '41 Ford Made for Go Not for Show

Since this is the senior edition, we find it only fitting to come up with one of the top senior cars—Dave Bowen's '41 Ford business coupe captures top honors.

When we glance at the Ford, we see it is not for show but strictly for go, as it sup-

ports a hot '53 Olds mill with many modifications, such as: Engle Cam and Kit Clifters, push rods, and rocker arms, Edelbrock manifold with three two's, Mallory ignition, milled, polished and ported heads, chopped flywheel and full competition clutch.

The stroke and bore are stock in order to meet C-gas limits. Following the mill is a '39 Cad box and an Olds rear end (they are tougher).

Dave has mounted 4.56 gears for strip use and 4.11 gears for street use. Tires are 7x60-15 Bruce slicks for strip and 7x10-15 for street.

At present the '41 is being primed and is having some minor body modifications made to make it good appearing as well as a stormer.

It has turned 93.76 in 14:56 at Fremont Drag Strip.

Future plans consist of a new owner for the simple price of \$500; anyone interested contact Dave at home or school.

## Eleven Seniors To Get Awards

Eleven WHS seniors will receive thirteen scholarships at graduation next Sunday June 19. Of these thirteen awards, seven are local.

These are the local awards: Warren Gravestock, to Tom Howell; Washington High P-TA, to Carolyn Nunes; Lions Club, to Ken Fye; Irvington Teachers award, to Billie Colburn; Washington Faculty Club, to Suzanne Brown; Laurel Whipple, to Jolie Close.

## 1959-60 PROGRESS

The new patio area, which will enlarge the noon recreation program, the Football Queen Contest in which Nancy Ullman was the winner, and Logan rivalry, which includes the clean campus banner and the "PoP" Gould Trophy in football are just some of the significant "firsts" at Washington this year.

The Student Body and class elections saw a large number of candidates put on really colorful campaigns. The rating was heavy in all elections, and according to Mr. Roberts, it was one of the liveliest elections in years.

Observers saw Washingtonists come to school looking like farmers on one Friday. The following week saw these same students in their Sunday best attending classes. The reason for this phenomenon was the new dress down and up days.

Another newcomer was the beard-growing contest where boys won prizes for their face-fuzz.

The off-campus senior ball is a significant "first" in senior activities.

Two new clubs, the ski club and Huskiettes, were chartered this year. The Honor Roll was also begun to give scholastic recognition to students of all the classes. Eight seniors have received the first annual Husky Award for scholastic ability and school service.

Those students who participate in extra-curricular activities know about the activity medals which are given to students in place of a second third or fourth activity block. This is the first year this system has been used.

The sophomore class sponsored the Sea Breeze stag dance and charged admission to bolster up the Husky Fund.

A queen, a patio, and a rivalry -- these are typical of the events in the school year 1959-1960.

## '60 Class Names Its Personalities

This year's Senior Class was found to be full of bright personalities. This was found to be true when a poll was taken to find out which personalities stood out the most in different categories.

Carol Bauhofer and Barry Maurer were selected for best personality. For the happiest laugh, Mike Blout and Dot Rodrigues were the undisputed winners.

Who is most likely to succeed? Mike Overacker and Judy Pierson who have proved this in school activities.

It was even found that we have shy seniors at Washington. Ken Stahl and Adrienne Oliveira were chosen for their shyness.

There was no question we have talkative Seniors, and Ken Lyons and Helen Treleven were chosen champs.

Barry Maurer and Sue Croop were voted for their vocal ability as the best singer. Frank Haas and Pat Pennington were selected as our happiest seniors, and Bob Galenada and Lucy Robertson for the shiniest prettiest eyes.

How's the weather up there? Phil Beuhler and Shirley Meyer stole the positions of tallest Seniors. Mike Santos and Connie Cipriano were chosen as the most most popular short-stuffs.

Billy Bell and Pat Miller were selected for the nicest hair and our exchange student Tage Klingberg and Donna Kerhoulas for the nicest complexion.

For speaking ability, Joe Psiuk and Judy Pierson took the honors.

Jane Furbee was found to have the best figure, and Dave Odom joined her by having the most masculine build.

The cutest couple chosen was Ron Oliveira and his girl Nancy Hall.

Two ideal couples were chosen, and they were found to be Allen Mercer and Donna Woodbury, Connie Cipriano and Mike Leith.

## Coach Walton Picked By Hatchet As 'Coach of the Year For '60

Coach Walton

The Hatchet takes great pride in announcing that Coach Lee Walton, pictured above, has been selected the second annual Hatchet "Coach of the Year."

An alumni of Washington Hi, Coach Walton has brought

fame and fortune to his alma mater. Since coming to Huskyville, Mr. Walton has tutored two water polo championships and two swimming titles. His teams have finished no worse than second.

Before coming to Washington, Mr. Walton served two years in the U.S. Army.

He received his Physical Education degree at San Jose State in 1956. While at State, he was a member of three state swimming and four water polo championship teams.

In 1956 he was elected captain of the water polo team and voted into State's hall of fame for water polo.

Coach Walton was an all-around athlete at Washington. He took part in football, basketball and track. In 1950 he was a member of the school's football championship and was on the last basketball title winners at Washington.

## F.F.A. Classes Win Awards At Davis

Many members of this year's FFA classes won outstanding awards. Rod Dias and Mike Overacker won the highest awards FFA members can receive in high school: the State Farmers Award.

The Parliamentary procedure team had a very successful year. It placed first at the sectional contest, first place at Davis Field Day, and fourth in the state. The members of the team are: president, Mike Overacker; vice president, Jim McKiernan; secretary, Ron Bowers; treasurer, Jim Tipton; reporter-secretary, Ed Hayes.

Jim McKiernan placed second in the Sectional Public Speaking Contest. This enables him to go to the National Convention in Kansas City for a week. Dave Lyons won the outstanding mechanical award at the Alameda County Fair.

## Huskies Lose to Lincoln Lions

The Huskies played the week before with Strong Willow G.F.W.

Glen competition faced the Lincoln Lion's May 9 on their oval and lost to a decisive 74 1/2-52 3/4 margin.

The "Washingtonian's" glowed in with these night-lights Russ Pierce's seventh straight weekly triple victory. His wins in the sprints were on a slow track, and he hop-step-jumped an impressive ninety-two feet.

Art Ranow off his' 20'2" broa jump of last week placed second with a leap of 19'5".

Jack Parson ran the three tenths of his record 51:4 standard in the 440 set at Willow Glen.

Carter smashed all records in 13:20 with an impressive 13:22 best in the league.

## Blout's '31 From Al Capone's Day

After a period of restoration Mike Blout's '30 Ford Sedan has come to be feature car of this issue.

Mike has spent many timely hours and dollars to bring his sedan back from the days of Al Capone. The jewel is painted a glossy black and has other exterior features, such as sealed beam head lights, solid sixteen inch rims with 6x70 white walls. The rest of the outside is of stock vintage.

For the interior, we see white naugahyde by Fremont Upholstery replacing the stock covers. The headliner is white naugahyde, window sashes are of black laquer and the floor board is set off by black rugs.

Mike's Ford is powered by a hot four banger with a one quarter inch over bore and a shaved head. The rest of the mill is completely stock.

Pictured are the Husky tennis players who made all-league. They are from L to R Jim McKiernan, John Beumer, and Ken Fye. Other players who turned in winning efforts for the team, but are not pictured, were Jim Reeder, Larry Guardanapo, and Tage Klingberg.

### Stahl Chosen Baseballer of Year

Kenny Stahl, Washington's hard-hitting outfielder, has been chosen "Baseball Player of the Year" for the second consecutive year.

Kenny was picked for his all-around ability. He possesses a strong arm and wields a big stick. He is considered one of the best prep outfielders in the Bay Area.

This was a sub-par year for the 6'1, 195 pound senior as he saw his batting average slip from .456 last year to a respectable .398 this season.

Breaking pitches could be partly to blame for Kenny's low average. He was known around the league for his hitting and the pitchers threw Stahl an assortment of breaking stuff and just plain "junk," not letting him get a hold of anything good.

His batting average and 22 R.B.I.'s led the club in those two departments.

Such baseball organizations as Boston, Los Angeles, Kansas City, New York, Pittsburgh and San Francisco have scouted Kenny this past season.

### "Hatchet Trackster of the Year"

Junior track sensation Russ Pierce has been chosen "Hatchet Trackster of the year." The honor goes to the best athlete that shows the best ability, devotion and potential in the sport.

Russ has accomplished more in one year than it takes most athletes to accomplish in four.

As of now, Russ has not reached his peak and probably will not until college.

The outstanding accomplishment about Russ is that he jumped from "C" track to varsity in one year and with great success.

This past season Russ has broken the school century and

furlong records.

His time for the 100 is 10 flat and 21.7 for the 200.

Russ holds another record that means a great deal to him, that being his 44-9 in the hop-step-jump, which is the best in the nation this year.

Russ gave the greatest one man performance the ESCOVAL has ever seen on May 13.

He won three gold medals and one bronze, in setting league records in the 100, 200 and Hop-Step-Jump.

His H-S-J mark is only three inches off the Olympic qualifying distance.

At the State meet held at Stanford this year, Pierce will participate in the H-S-J exhibition with other league cham-
